

BID OPPORTUNITY – MARKETING CONSULTANT

We are looking for Marketing Consultant Bids to produce high quality powerpoint presentations, promotional materials, web marketing, blog, advertising, and, graphic designs to take our marketing efforts to the next level. We need strong marketing campaigns that will generate partnerships to join us in re-enrolling dropouts to attain a high school diploma; pursue post-secondary education after they have achieved their high school diploma; develop workforce initiatives to provide the support they need to excel and be self-sufficient after completing their education; and, a second chance to keep them from becoming negative statistics.

Please provide a professional and unique plan to enhance our marketing campaigns. Let us know how you would do what we need and be specific about the ongoing costs.
